

BOATERS/LAUNCHERS

Steam boaters that attended recent NWSS meets are natural candidates to attend our great meet at Tacoma in 2010. WE ARE OFFERING YOU THIS OPPORTUNITY TO GIVE US ADVANCED INSTRUCTIONS AS TO YOUR LAUNCH PLANS.

NWSS offers two sites and need to know when you expect to launch, and to recover, in order to reserve the services of the respective sites.

AN APPROXIMATE TIME IS SUFFICIENT FOR NOW. WE WILL LET YOU KNOW IF WE NEED YOU TO MAKE A MORE PRECISE DECISION.

Launches are included as part of the registration fee, although Point defiance Marina ramp launchers may have to pre-pay and be reimbursed. Commencement Bay Marine Services sling launch has already been arranged. Please tell us below how, when, and where you would like to put your boat into the water. Maps and directions to follow.
